OUR STORY

Armoir Fashion brings you a piece of the old world craft with hand select-ed materials styles of minimalism and great functionality. Specializing in handcrafted small leather accessories made with genuine Italian leather, , these functional pieces highlight the human touch with high-end finishes and acute attention to detail. Armoir brings vintage designs back to life with contemporary, high-fashion, boho-style accessories. The minimalism and timeless cuts and patterns make these accessories live on. Let each piece take you on a journey through time and self-discovery, stay in style stay in motion.

COWHIDE FULL GRAIN BELTS

Our leather is selected and cured with great attention to detail. Natural plant based oils are used and therefore our leather is Veg tanned with no chemcials and toxins.
There is a wide variety of belt designs both for women and men. Ranging in sizes 30”-44”. All carefully crafted in Canada.

All belts come packaged with product tags, usage and care instructions and in a natural recycled Kraft gift box.
